

**Technical Proposal Disclosure Policy – ITER** (April 2013)

Pursuant to this solicitation, UT-Battelle will treat confidential proposal information as such and will disclose such information on a need to know basis to UT-Battelle employees and agents, DOE, and ITER-International Organization (ITER-IO) representatives for purposes of evaluation. It is hereby noted that any information distributed to ITER-IO will be of a technical nature; pricing information will not be distributed to ITER-IO.
